KELLY BROOK EXCLUSIVE 1!

Kelly's own undies!

The model turns lingerie designer!

"DETAILING IS key!" lady store New Look tell us,

about Kelly Brook's new undies range, modelled by the lady herself, right here. "Frills are flirty, eyelash lace is delicate and bows are super-pretty!" they continue, "while stand-out prints using florals, hearts and polka dots keep things fun and girly!"

Store that in your noggin, chaps, so when your missus catches you admiring Kelly's designs, you can befuddle and discombobulate her by reeling out the above and pretending you're some kind of underwear pundit. Which, in many ways, you actually are!

This way for another great Kelly exclusive!

KELLY BROOK EXCLUSIVE 2!

A quick word with Keith Lemon and Kelly Brook!

Beauty (Kelly) and the beast (sorry, Keith!) on bed sheets, special socks and the brand-new Keith Lemon film!

Hi Keith and Kelly! Kelly, how did Keith prepare you for working with him?

Keith: I got all my DVDs out and went, "Look at this, this is me!"

Kelly: He made me watch every episode of *Celebrity Juice*, every episode of *Bo! Selecta* and all the specials.

Keith: I should have made you watch *Celebrity Wife Swap*, too, then we could have done that.

Kelly: And I've got his calendar.

Keith: I've bought one of your calendars as well.

Kelly: I know. You've bloody jizzed all over it. I've seen!

So what's Keith Lemon - The Film all about?

Keith: It's a rags-to-riches story. I know a lot of people think it'll be me p*ssing about, dry-humping Kelly Brook. Yes, I do do that. But

there's a strong moralistic story about not changing when you make loads of dollars. There's another character or two that might look a bit like me, but mostly I'm Keith. And it's got Kelly Brook from films and calendars and dreams and bed sheets and bras.

Kelly: And make-up.

Keith: I didn't know make-up. There's also Kevin Bishop from *The Kevin Bishop Show* and *Star Stories*, Holly Willoughby-booby and Fearne Cotton from *Celebrity Juice*, Rufus Hound, Ronan Keating, David Hasselhoff and Verne Troyer, also from films. Who else have I forgotten?

How did you get all these people to cameo? Blackmail? What have you got on Kelly?

Keith: I thought she'd be good as my dream woman. Kelly says it's the most disgusting script she's ever read, but she's doing it because she wanted

to mess about and have fun. But she's still smiling. Are you still smiling, Kelly? I'm not trying to drag you into this interview, don't worry.

Kelly: I don't think the *Nuts* readers should think that I have a voice. I'm just a pair of boobs!

Keith: Don't speak, Kelly, you'll spoil the dream!

Kelly: I don't want to shatter the illusion.

Keith: Stop speaking then! I'll just speak for you. Just nod. Or shake your head. I don't know how we got Kelly Brook, but she's been a good sport and she's had liquid on her face and all sorts of things.

Kelly: He's been sucking my chin at lot. And he's been rubbing my thighs.

Are you sure this is in the script?

Keith: It was in the script! So, she basically gets abused by me, many times. And there are a couple of sex scenes. I do a lot of rolling around in bed. I said to Kelly, 'cos she's done a few saucy scenes in films, I said, "Does anyone ever get straight penis?" And she says she'd be offended if they didn't. So I got straight penis.

Did you have to tape it down?

Keith: No, she doesn't mind. So long as you don't put it in. All I do is rub it on her. I don't actually have full-on penetrative sex. It's not a porno. I wear what's called a "c*ck sock" in the business. It's bigger than a sock because you put your balls in it as well.

It's taped to your skin, like t*t-tape. After taking it off after the first day, I realised the pain when you pull it off, so the second day I trimmed me bush down.

Keith, are you planning to hook up with Kelly after filming's finished?

Keith: Kelly's already hooked up with a rugby player, or was a rugby player, I think. [Former Scottish international rugby union player Thom Evans - *Nuts* Scottish Rugby Ed]. Some f**king sportsman with a massive kn*b.

But you wouldn't turn down Kelly if you had the chance?

Keith: Would I f**k! Would any man turn her down? Are you a glue-sniffer?

Kelly: Because this is his first film, he always wants to come into my hotel room and "rehearse" things.

Keith: Yeah. I wanted to rehearse our kissing. I'm a professional, me.

Kelly: So I really appreciated that. I wanted to practise my singing because we sing a song together.

Keith: I wanted to give her a love bite but I got carried away and f**ked her chin.

Kelly: What?

Keith: I f**ked your chin a bit hard! It's not a bad job, I suppose. Write Kelly Brook into a film and f**k her chin!

● Keith Lemon - The Film is in cinemas in August

"I won't tell you two again, get out of my house!"

LEMON'S SQUEEZE!

In the film, Keith chases his money-making dreams, meeting Kelly along the way!

A full-page photograph featuring Kelly Brook and Keith Lemon. Kelly Brook, on the left, is wearing a white dress with a lace collar and a bright red shawl draped over her shoulders. She has a wide, joyful smile. Keith Lemon, on the right, is dressed as a Roman soldier in a red tunic and a leather shoulder guard. He has a surprised expression with wide eyes and an open mouth. Between them is a large, golden, textured statue of a sphinx's head. The background is dark with warm, golden lights, suggesting a stage or event setting.

Top Gear's silly scooter race!

The boys burn through Abergavenny on mobility scooters!

➔ **TO DATE,** Hammond, Clarkson and May have raced a variety of stuff including dog sleds, trains, airships, bobsleighs, tanks, gravity, a Eurofighter Typhoon and, well, God. Now they can add mobility scooters, as they raced three in Abergavenny last week.

We're not sure why they picked a random Welsh town, or what was the motivation for their pimping – Clarkson's was an amphibious vehicle-style eight-wheeler, Hammond's boasted caterpillar tracks and May's had big tractor-style wheels – but they did spend the afternoon challenging passers-by on scooters to races.

We'll find out soon, though. *Top Gear* returns on BBC2, Sunday at 8pm.

All-new Jimmy Carr gags!

The hard-working comic tested some brand-new gags – and *Nuts* was there!

On himself...

"I've lost a bit of weight in the last couple of years, but I've still got chubby cheeks. I look like I've got Aids but I've forgotten to tell my face."

"Someone came up to me and said, 'I thought you'd be younger!' I said, 'I was.'"

"I've got a weird laugh. It sounds like a robot having an orgasm. It sounds a bit like a chamois leather on a really tough stain on the window. Or a goose being raped. Don't ask me how I know that. I raped a goose."

On touring...

"Every night after the show, I have women banging on my dressing room door. Sometimes I let them out."

"If there are any groupies in tonight who want to come to me after the show for sex, I might have to disappoint you, and have sex with you."

"I got talking to this guy in the audience the other day. I said, 'Are you married or single?' He said, 'Single.' The

girl next to him went, 'You're not!' There was a pause and he said, 'I think I might be now.'"

On cars...

"A lot of people text when driving. I'm not excusing it, but we've all done things we regret when we're drunk."

"I saw on the news that bad drivers are going to get on-the-spot £100 fines. I thought, that's a bit sexist."

On chat-up lines...

"I like chat-up lines. I like the line, 'Get your coat, it's cold in the boot of my car.'"

On porn...

"My girlfriend asked me recently, what's happened to my sex drive? I said, I smashed it with a hammer and burnt it. I was worried the police were going to come and take it away for analysis."

On ghosts...

"Does anybody believe in the supernatural, like ghosts and

spirits and the like? It's actually really easy to tell if your house is haunted. It isn't."

On naughty jokes...

"It's difficult to talk about sex without sounding crude. So if I refer to a vagina, I'll be referring to it as a twinkle cave. As in, 'There I was, licking out her twinkle cave while she deep-throated my tummy banana.'"

On being PC...

"This is how PC works in comedy. If you're involved or affected about something, you get a free pass, you can joke about that thing. So, black people can joke about race, homosexuals can tell jokes about being gay, disabled people can talk about disability, them's the rules. So, these two paedophiles walk into a pub..."

"I saw a headline in the newspaper. It said, 'Police smash paedophile ring'. I thought, 'Good. Let's see how they like it.'"

On his manhood...

"I always find that whenever I'm in the changing rooms at the gym I'm embarrassed that my penis is so much bigger than everyone else's. But, in fairness, it is erect."

"It's always embarrassing when you get an erection during a prostate exam. And then realise that they're not a real doctor."

On taboos...

"I'd like to write a beginner's guide to looking after the mentally disabled called *Caring For Dummies*."

"Some people are very homophobic. They're scared of gays. Poofs!"

"They say laughter's the best medicine, so maybe, just maybe, if we keep laughing at people in wheelchairs..."

On women...

"I saw a woman with a T-shirt with 'Superdry' on it. I thought, 'Have you thought about HRT or lubricants?'"

On Alan Carr...

"I keep on getting mistaken for Alan Carr, so I've stopped sucking men off."

"I constantly get people asking, 'Where's Alan Carr?' to which I respond, 'He's at home, f**king your dad!'"

On fame...

"Being famous is like living in a small, friendly village where everyone's very nice and you have Alzheimer's. People always come up and say, 'Hello' 'How are you?' 'What's going on?' and you have no idea who the f**k anyone is."

CARR ON THE ROAD!

On average, Jimmy performs an incredible 220 live stand-up shows per year!

A man with dark hair, wearing a black suit jacket over a white shirt, is shown from the chest up. He is wearing large, black over-ear headphones with bright green accents and a green cable. He has a wide-eyed, shocked, or perhaps indignant expression on his face. His hands are raised in front of him, with fingers spread, as if gesturing while speaking. The background is a solid, vibrant green.

“My ideal woman would be a single mum. Once I’d finished with her!”

“Have you seen *Countdown* recently? The TV show, that is, not Dracula’s special needs brother”

“Michael Jackson’s sales have gone up tenfold since he died. Thought I’d mention that in case anyone from Jedward’s management are here tonight”

“I saw a transvestite in a miniskirt. That shows a lot of balls”

Beaches, bikinis and Billie!

TOWIE's Miss Faiers heats up Dubai!

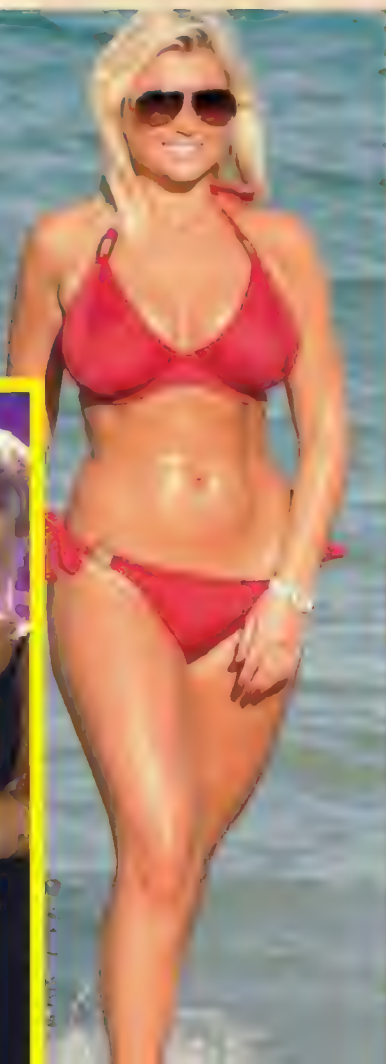

➔ **AS GREAT** a place as Essex is, it's not generally known for its hot sun and golden beaches, so even its proudest citizen has to escape once in a while.

Hence *TOWIE*'s Billie Faiers' trip to baking hot Dubai in a stretchy bikini. Which, let's face it, has its work cut out, containing more pounds per square inch than a 747's tyres!

"Get the photos taken - the tide's coming in!"

"Mmm, tastes like jellied eels"

Resident Evil 6 is coming!

All-new zombie game announced!

LIKE SHOOTING
zombies? What

man doesn't? You'll like this news, then – the announcement of a shiny, new *Resident Evil* game! In *Resident Evil 6*, the T-Virus has become a global threat, having infected huge areas across the planet and zombified vast swathes of the population.

You play as three heroic zombie killers, fighting the undead (and terrifying, mutated bosses) across three global fronts. And the best bit? It's already nearly here, as publisher Capcom has confirmed it'll be out for Xbox 360 and PS3 on 20 November this year. Sweet!

• See the trailer at www.nuts.co.uk/news

"Go on, say my haircut's a bit camp again, I dare you"

GLOBAL THREAT

The zombie infection's moved from isolated areas to a global threat, so you'll be capping zombies in Tall Oaks in Midwest America, a Chinese city and what looks like a return to Eastern Europe.

"Peek-a-boo!"

PLUCKY HEROES!

You play different gun-toting chaps in three different locations, including classic *Resi* blokes Chris Redfield and Leon S Kennedy, and there's also this mysterious buzz-cutted new chap (who's in a bit of bother).

Resident Evil: the story so far!

THE BIGGER THEY ARE...

This formidable-looking, house-sized enemy turns up at the end of the game's trailer. By the looks of him, though, it'll take a bit more than a six-shooter and a bit of blue language to take this bad boy down!

"Please, mister, can you fetch my Frisbee down off that roof?"

RESIDENT EVIL 1996

The T-Virus is unleashed in a creepy mansion,

turning everyone into zombies. Plucky cops kill lots of zombies.

RESIDENT EVIL 2 1998

The T-Virus is unleashed in Raccoon City, turning

everyone in the city into zombies. Plucky cops kill lots of zombies.

RESIDENT EVIL 3 1999

T-Virus and Nemesis, a bio-organic monster,

are unleashed in Raccoon City. Plucky cop kills lots of zombies. And Nemesis.

RESIDENT EVIL 4 2005

A mind-controlling parasite is

unleashed into a European state (Spain?). Plucky cop kills lots of infected.

RESIDENT EVIL 5 2009

Uroboros virus is unleashed

into African nation of Kijiju. Plucky cops kill lots of infected. And a bloomin' hard final boss.

MUTATED BOSSES

This nice chap (or similar) shows up in all locations, hinting that similar mutations are happening over the entire planet! Weirdly, shady conglomerate Umbrella – responsible for all past outbreaks – isn't mentioned at all.

"Be honest – I'm going a bit bald, aren't I?"

"I knew it was a mistake booking you for my kid's party"

NOT JUST ZOMBIES!

Resident Evil's classic T-Virus is once again the main zombie infection, but our men also have to fight off mutated monsters, weird Japanese clown-masked non-infected humans and the mysteriously titled new "J'avo" enemies.

India's first 'supercar'!

It's the DC Avanti, a 155mph Asian stunner!

- Just a few years after Indian car maker Tata (which also owns Land Rover and Jaguar, by the way) announced the world's cheapest car, a company called DC Design has stepped up with India's first supercar.
- Named after its owner, car designer Dilip Chhabria, the firm modifies and tunes motors including Rolls-Royces and Porsche Cayennes for wealthy folk. Body kits, rims and a lot of fancy stitching inside... you know the kind of thing.
- Working on other cars has spurred DC to try to become an iconic styling house that also produces its own machine. Hence the DC Avanti.
- Initially going on sale with a 2.0-litre Ford EcoBoost turbocharged engine, mounted in the middle, it won't provide massive power. But race-inspired coil-over sprung double-wishbone suspension promises to make for some pretty fast cornering.
- DC says a Honda V6 with 394bhp in its belly will join the list of options later, as will a Ford dual-clutch transmission. As standard, the Avanti gets a Ford manual box. At least DC is sticking to tried and tested (and relatively cheap) engines. If it works for the Pagani Zonda and McLaren F1, it must be OK, right?
- Made with a space frame chassis, the strangely alluring Avanti is mostly built of aluminium. With only two seats, you'd think it must be pretty light, but perhaps it's the ABS and airbag safety systems that help bump up the weight to

1,560kg – that's only nine kilos lighter than a Ford Mondeo with an equivalent engine.

- The Avanti will apparently be limited to a maximum speed of 155mph and will do "less than seven seconds" on the 62mph sprint. We should blooming well think so, too!
- DC intends to build 200 cars per year from 2013, but is gearing up for an annual production run of 2,000 if the order book shows some

movement. And this might actually happen, given that the asking price is a very un-supercar-like £36,000.

- This first introduction to the Indian performance automotive industry market is mightily impressive. If only BMWs looked this good of late. Let's just hope the Avanti can survive Mumbai potholes and swerve mental moped riders!

Yes: 49% No: 51%

It's a close call for the *Dancing On Ice* dame
from *Dallas*, but no cigar for Charlene. Still,
not a bad showing for a 53-year-old!

HE'S RUDE, RANTY AND RIOTOUS!

Jim trained as an opera singer before making his name as a comedian.

“His penis was shortened!”

A MAN in California has been awarded over £4million after a motorcycle accident shortened his penis by an inch and a half. I think the price is more than fair – you can have my entire penis for £2million and I'll throw my porn in for free – I won't be using it. But you have to feel for the man, losing an inch and a half of his penis – I can't imagine losing two-thirds of my c*ck.

“A gun was up his bum!”

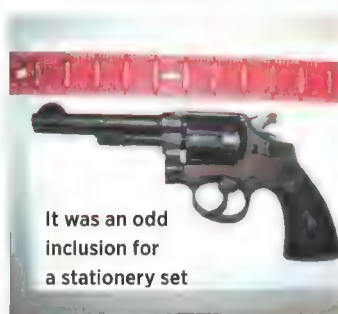

MY GENIUS Of The Week award goes to American Leon Ward who, after being arrested, was taken to the station and found to have a ten-inch gun up his arse. He must have shoved it there as he was being stopped. That's got to be tricky – I can't even text

He just couldn't resist bursting into song

“Health experts are idiots!”

JIM'S OLYMPICS update: the f**kwhits have come in to ruin everything, as usual! Health experts are claiming that the Olympics could be a real problem because people will be coming from all over the world, bringing in diseases, and they'll spread like wildfire. Have these f**kwhits never been to London? Look around – there are people from all over the world and it's f**kin' crowded. If you're going to get sick at a sporting event, you're going to die when you ride the tube! I've been to orgies and Aids clinics that felt safer than the Circle Line!

It was an odd inclusion for a stationery set

and drive at the same time. But he had to go to hospital to have the gun removed. Now, doctors claim that once a large object is fully up your anus, you can't remove it without medical assistance. I'm not sure this is true – I just believe that there are people who remove large objects from their arseholes but we never tell anyone.

“No big deal with dildos!”

BOOTS ARE in trouble for selling dildos, with family groups saying they're in full view of kids. Boots already sell condoms in plain view – so are the youth only allowed to learn about the sh*t side of sex, not that it can be fun? Teens get taught sex education but teen pregnancy is at an all-time high. We need to start showing the teenagers porn. I know a lot of you will think this is wrong, but what's wronger than an unwanted teenage pregnancy? Teach the lads to come on her face – you'll be doing her a favour.

“Don't bungee – have sex!”

THERE'S AN old joke, “What have bungee-jumping and anal sex got in common? If anything rips then you're right in the sh*t.” That's what happened for one traveller in Zimbabwe, whose rope snapped, sending her into the river. Good! Now people might think, “Maybe bungee jumping into an African river might be stupid.” Just have unprotected sex – it's more fun and it's cheaper. Although, in Africa you might want to stick to the bungee-jumping.

NUTS READER

Luke Briggs has more than fond memories and photographs to remember his recent trip to Thailand by – he also has a seven-inch scar!

The 18-year-old student from Chester was returning from a night out when he fell foul of some tiles.

"I'd been out for a few beers in Bangkok and was heading back to my room," recalls Luke. "I slipped on some wet tiles and put my arm out to stop myself from falling. As I fell, my arm went through a glass partition, severing it to the bone. There was a look of horror on my brother's face as blood sprayed on the ceiling!"

After being carted off to hospital, Luke discovered he'd lost three pints of blood and would need a whopping 62 stitches on the unlucky limb.

But there was one more nasty surprise to come. "It took the hotel two days to clean up the blood, leaving me with a £300 bill!" adds Luke. Talk about adding insult to injury!

SEAMUS Blackpool

There are a number of considerations you need to think about before deciding your next move. Do you still fancy her, even when sober? How good a mate is he? Is there a potentially vengeful husband? My girlfriend is the fittest person I've ever been out with. Even all my mates think I'm well out of my league. The problem is, I slept with her for the first time recently, and now I think I know why she's with me. Her feet stink so badly, I don't think anybody else would want her! It's really affecting my self-esteem because I'm not a very handsome chap. What should I do about this?

ANDY Worthing

Oh dear, Andy. This can't be much fun. The only thing I can suggest is you ask her to wear really long leather boots in bed! With high heels.

Vs the Nuts Question Bucket!

Copy:

➔ **THE RULES** are simple. We fill our bucket full of ridiculous questions, then a celebrity picks them out at random and must answer whatever they get!

Who did you last have a punch-up with?

The guy in the dry-cleaners. I was going on holiday, I was running late, and he was taking ages. I saw him out the back, hiding my stuff – he wouldn't give it to me. I got angry, he got angry, he tried to call the police and I was like, "I'm going on holiday!" and we pushed each other a bit. It wasn't really a punch-up, more like two insane men slapping each other.

Has anyone mistaken you for a girl?

Yes. Only the other day. I was getting out of a cab

and the driver went, "All right, ladies, have a nice day." At university, a woman asked my mate if he wanted to buy me a rose. She was like, "Oh, I thought you were a girl!"

Who's the most famous person you've stood next to at a urinal?

Slash from Guns N' Roses at the NME Awards. I was dressed up as Vlad the Impaler [Noel featured in the video to Kasabian's song of the same name – Nuts Music Video Ed] and he just looked up and went, "Cool outfit, man!"

Are you any good at any sports?

Actually, I'm quite good at waterskiing. I did it once. Everyone else fell in but I stood up all around the lake. The guy went, "Wow, you're a natural." So I got into it for a day then never

did it again. I thought, "Waterskiing? F**k that – that's not very sexy."

Who'd play you in the Hollywood movie version of your life?

[*Wedding Crashers*] Owen Wilson. That'd be good.

If your brain was an internet search engine, what would the most common search be?

That's a good question. What's my brain always searching for? Jokes. When you write a joke, you feel really happy. Then you realise you've got to write another 20.

Which part of your body would you insure for the most money?

Definitely my eyes. I use them a lot. I see things, I write and I draw. I'd be useless without them. I wouldn't mind if I was

just a pair of eyes on a stick, to be honest. Eyes are the windows to the soul, aren't they? [Thinks.] Was I supposed to say my penis? Ha!

What's the strangest thing you've done for money?

I slept with Julian [Barratt, Fielding's co-star in *The Mighty Boosh*] for money once. He was down on his luck at the time. I thought I'd throw him a line.

How many drinks before you're under the table?

When I was young, I was such a cheap date. Two pints and I was dead. Now, ten, 50, no, a hundred margaritas and I'm under the table.

Who's your most famous drinking pal?

[Actress/singer] Courtney Love. Although she doesn't drink any more.

What's the most awkward thing you've had in your mouth?

Ha! A nectarine. ✕

● Noel Fielding's *Luxury Comedy* begins on Thursday 26 January on E4 at 10pm.

He refuted suggestions his tongue piercing was a bit over the top

POTTY COMIC!

"I tried waterskiing then thought, 'F**k that – that's not very sexy!'"

"Ha-ha! To get to the other side! Brilliant!"

"No, there isn't a thread attached – it's really levitating!"

"I'll just hold this here a while – I was on the Jägerbombs last night"

A fierce battle is now being fought. While fighting is going on, a person has climbed the building & opened fire on the staff inside.

THE HARAKAT al-Shabaab al-Mujahideen Islamist militia of Somalia is one of the world's deadliest organisations. Both the UK and US are among Western nations who've declared al-Shabaab ("the Youth") a terrorist organisation and the list of atrocities carried out by the militia in the name of Sharia law, in the parts of southern Somalia under its control, is a long one.

Aid workers trying to bring relief are intimidated, kidnapped and murdered. Women suspected of adultery are stoned, even though many of them are guilty only of being gang-raped by al-Shabaab soldiers and Sharia law is brutally enforced, even when applied to subjects so random they're almost comical.

If this sounds absurd, be assured that al-Shabaab is deadly serious. The group proudly declares strong ties to al-Qaeda and boasts a long tradition of suicide bomb attacks, usually by foreign extremists from the Persian Gulf acting on the militia's behalf. There have also been bombings in Somalia, including a suicide attack on a government compound in Mogadishu in October last year that claimed over 100 lives.

Al-Shabaab conspirators have been arrested in the US and Australia, plotting to kill military representatives of the nations in which they were apprehended. The militia has strong links to Iran, Libya and Egypt. They are now, according to the UN, a 15,000-strong organisation.

taunting, accusing rival forces of ineptitude, excessive drug use, cowardice and being addicted to war movies.

Occasionally, the writers of the feed even slip into the youthful slang of the Twittersphere, dropping in mocking hashtags. Some themes are prevalent – tales of Somali corpses being left in the street to rot, identification cards of dead opposition soldiers posted online as proof of enemy casualties. But postings of audio clips from the militia's prisoners of war, and unquestioning praise for the quality of life under the Sharia rule of al-Shabaab, remind the viewer that @joey7barton this most certainly isn't.

#Twitter's terrorist reach

Al-Shabaab isn't the only terrorist organisation to use Twitter. Lebanon-based terror organisation Hezbollah also uses it, peddling such a strong mix of anti-US and anti-Israeli propaganda that the Israeli civil rights group Shurat HaDin has threatened to sue Twitter for hosting feeds like that of Hezbollah, stating that "Twitter's complicit service to known... terrorist organisations is morally irresponsible [and] illegal." The Hamas group of Palestine uses Twitter for similar purposes and there are also accounts attributed to the Taliban.

#Security threat

The potential security threat if terrorists embraced Twitter was identified by the US military as early as 2008 and led to the publication of a US Army intelligence report which singled out the site as an area of real concern within social media. "Twitter is already used by some members to post and/or support extremist ideologies," it stated. "Extremist and terrorist use of Twitter could evolve over time [and] terrorists could theoretically use Twitter... in the US as an operation tool."

Four years on from that report, it seems they were right.

Members of al-Shabaab stand near the body of a murdered peacekeeper

in reply to

#Extremists

In August 2009, the militia began rounding up anybody with gold or silver fillings and forcing them to have their "un-Islamic" tooth caps yanked out. Later that year, bras were deemed to be un-Islamic as well, so any women found wearing them were publicly whipped. And in July last year, the group decided the shape of samosas was "too Christian", their triangular shape deemed too similar to the Holy Trinity, and so banned the snack in all the regions of Somalia under their control.

Its reach extends far beyond Somalia, too. When, in 2010, an Islamic extremist tried to kill Danish cartoonist Kurt Westergaard – who famously depicted the prophet Muhammad in one of his cartoons – he was identified as a Somali with links to al-Shabaab. Similarly, the makers of *South Park* have been threatened for satirising Islam by al-Shabaab supporters. Al-Shabaab, then, is as hardline as Islamists get.

#Social media propaganda

In the past, *Nuts* has reported on the ways the drug cartels of Mexico and warring street gangs in the US have embraced social media. Now, terrorist groups like al-Shabaab are getting in on the act via Twitter.

The results are often as bizarre as some of the laws they enforce. The al-Shabaab feed, which can be found

at twitter.com/hsmpress and which is almost entirely in English, makes for strange reading, with a mix of pro-Islamist propaganda, potted "press releases" and soundbites from leading al-Shabaab figures. There are also tweets that crow about fatalities among opposition factions, details of the perceived brutality of the opposition, and the occasional lapse into childish

101 TOPLESS STARS!

SOPHIE READE PRESENTS!

101 topless stars!

An extravaganza of famous fitties!

Hi Sophie! What's the sexiest thing you've seen on TV recently?

Well I've been a massive fan of the latest *Celebrity Big Brother*. Those *Playboy* twins were pretty sexy, weren't they? It's just a shame everyone wasn't a bit friskier. Get me in there, I'd be well up for it!

Which show do you always watch without fail?

I'm a massive *CSI* nerd and I always guess the killer. I reckon I could commit the perfect murder. I'd seduce someone in a bar first and then do them in, and I'd know how to get the prints off.

We won't cross you! Which TV babes float your boat?

Jennifer Ellison's pretty hot, isn't she? But I just love all the *Hollyoaks* babes – they're all perfect! I could join them as a new character. Maybe with all my *CSI* knowledge, I could be a serial killer or something?

Who would play you in a film about your life?

Pammy Anderson! She's blonde and sexy and has massive boobs! Plus, she's been in the *Big Brother* house so she knows exactly what it's like in there. Maybe her agent will read this and want to make it happen.

If you were to star in a film would you do any sex scenes?

Oh yeah! I'd be well up for that. They're the most fun parts to have, aren't they? Especially if you have someone hot to work with. I'd do sex scenes, topless, all that business! Sign me up!

Thanks, Sophie. Finally, who really winds you up on telly?

It used to be Natalie Cassidy but I think she's been awesome in *Celebrity Big Brother*!

26 UNA HEALY
"Una" is the Spanish word for "one". Which is fitting because Una really is a number one pop babe.

21 MELISSA GEORGE

We love our fit ladies here at *Nuts* and they don't come any better than this saucy American minx.

25 CHLOE SIMS

29 JENNIFER LOPEZ
Will we ever tire of looking at J-Lo's behind? That's like asking if we'd like Jedward to bog off!

30 RACHAEL WHITE
What we love about this pic is that it effectively shows us what a topless Beyoncé would look like!

33 CHRISTINA RICCI You may have seen Christina as a sexy trolly-dolly in *Pan Am*. Not seen it? Where have you been, man?

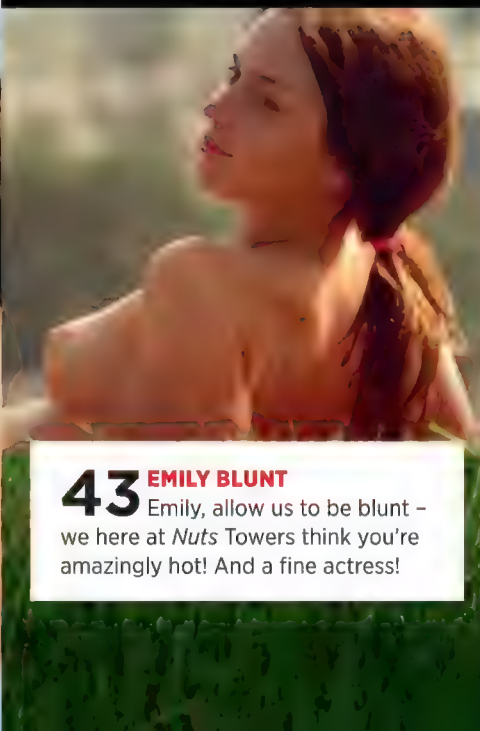

38 CARRIE SPENCER We're encouraged by the fact that this sexy *Bachelor* star wasn't snapped up. There's hope for us yet!

39 BELINDA STEWART Hey, look! It's Will's mum from *The Inbetweeners*! We swear none of our mate's mums were ever this fit!

42 ERIN MCNAUGHT We thought it a myth that all Aussie babes were brooding brunettes with killer figures, then we met Erin!

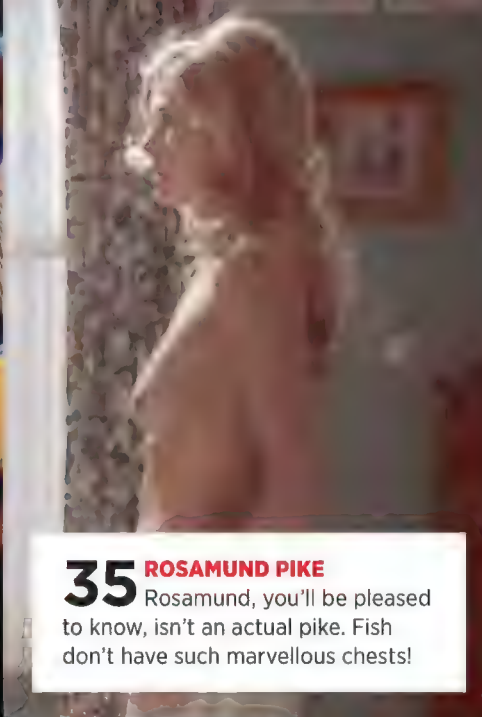

43 EMILY BLUNT Emily, allow us to be blunt – we here at *Nuts Towers* think you're amazingly hot! And a fine actress!

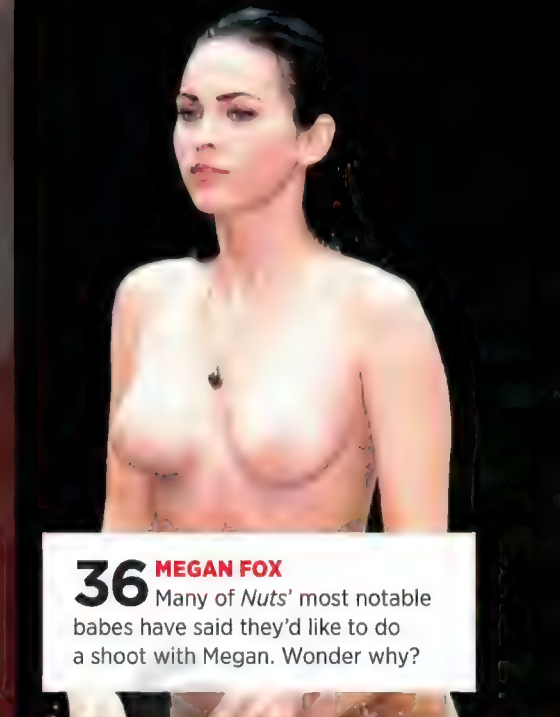

44 EMILIA CLARKE Emilia went topless in *Game Of Thrones*. Funny, we don't recall much else about that episode...

We can't get enough of *TOWIE*, mostly due to the bevy of babes it's given us - like Billie here! ►

60 NICKIE HEDGER
Another of the gorgeous *Bachelor* girls Gavin Henson got to drool over, the lucky, quiffy Taff.

61 ROSE MCGOWAN

101 TOPLESS STARS!

76 MARY-LOUISE PARKER
There are a lot of baths in this list and here's another. Wonder if it's the same bath? That's one lucky bath!

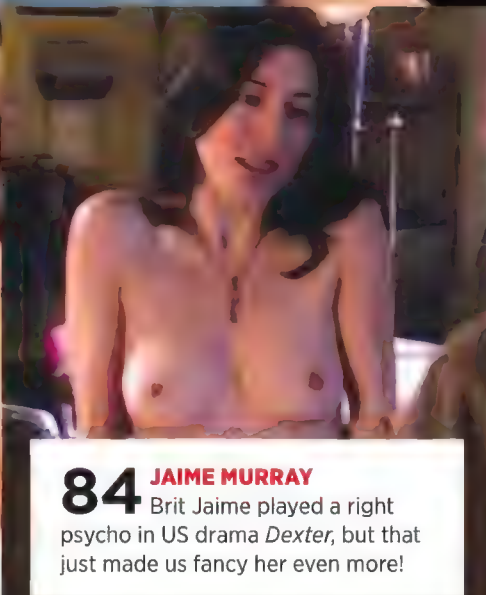

81 MICHELLE WILLIAMS
In *Brokeback Mountain*, Michelle had a gay hubby. As if with a wife like her anyone could be gay!

77 IMOGEN THOMAS
The Welsh wonder made a remarkable return to these pages last year. And very welcome she is, too!

83 KATE MOSS
We reckon Mossy could still show us a wild night on the tiles. If you're reading this Kate, drop us a line!

84 JAIME MURRAY
Brit Jaime played a right psycho in US drama *Dexter*, but that just made us fancy her even more!

85 ANNA FRIEL
No stranger to getting her marvellous boobies out, Miss Friel is the ultimate English rose!

78 LINDSAY LOHAN Is it possible to speak about Lindsay without using the phrase “Hollywood bad girl”? Apparently not!

79 VANESSA HUDGENS We waived our “phone must always be visible” rule so Vanessa here could be a Camera Phone Cutie.

80 AMANDA SEYFRIED If you were to Google “sexy American girl-next-door type lady” Miss Seyfried would be right up there.

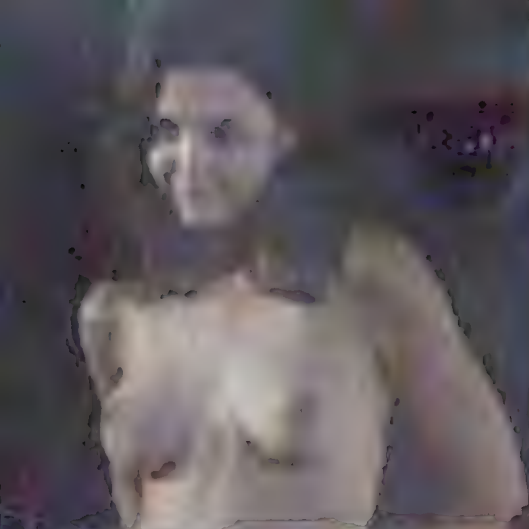

82 LIZ HURLEY Liz may be getting on a bit, but her bod shows no sign of age – and we enjoy any chance to check!

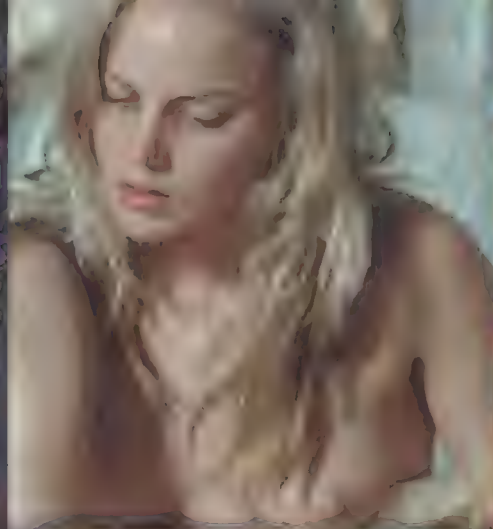

86 HEATHER GRAHAM Forever known as playing “that hot girl” in about 100 films, “Golden Graham” never seems to age!

87 ROSIE H-WHITELEY We’re not entirely convinced by Rosie’s hair in this pic, but the rest of her more than makes up for it. ▶

91 KATIE HOLMES
Katie is our fave (and sexiest) Holmes, ahead of Eamonn, Sherlock and ...*Under The Hammer*.

92 ABBIE CORNISH
The best things in life are Cornish. Pasties... beaches... oh, and this stunning Aussie actress, too!

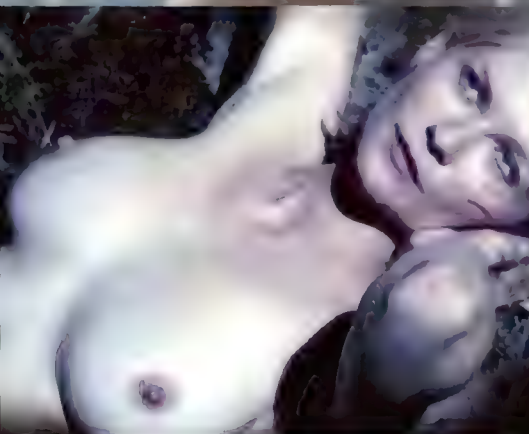

93 EMMA WATSON
We seem to recall Emma here was in some small independent film about a wizard, or something.

95 AMBER HEARD
Amber starred in *Zombieland*. So, sexy lady, zombies, Bill Murray, Woody Harrelson... best film ever!

96 SIENNA MILLER
Sienna, you know smoking is a naughty habit. Your other habit, that of boob-baring, we can live with!

99 KIRSTEN DUNST
Our spidey sense still tingles when we see the Hollywood hottie. At least, we think it's our spidey sense!

100 DITA VON TEESE
DVT is a big fan of all things burlesque, so a night out with her would be pretty different. Hoping!

101 LIV TYLER
Liv was married to a British rock star, which is why we're quitting to become rock stars. **X**

This week's best TV, movies, games, fashion, music and tech!

TOP GEAR

SUNDAY •

BBC TWO/HD, 8pm

Motoring madness!

"OK, I'll count to three, then we have another chair-spinning contest!"

Friday 27 January

"Oh, great - another gag about putting the kettle on"

The Real Hustle: Celebrity Chancers

BBC THREE • 8.30pm

The show dedicated to conning members of the public is back, with Jessica-Jane Clement and new *Nuts* favourite Polly Parsons among those doing the duping. Nice!

★★★

"And these are my receipts from Tesco!"

The Wire

SKY ATLANTIC • 10.20pm

Baltimore's senior police officers start to get fed up with the lack of results from the drug gang investigations. Meanwhile, junior pusher Bodie has escaped from a juvenile detention centre simply by walking out the front door. Look out for the crime scene investigation in which the officers communicate using only the F-word!

★★★★★

"Run, Amir - it's an evil pumpkin!"

Chris Moyles' Quiz Night

CHANNEL 4/HD • 10.30pm

It's the last but one episode of the series and it has the kind of guest list for which the term "mixed bag" was invented. Joining Chris for topical fun are camp stylist Gok Wan, boxer Amir Khan and N-Dubz loon Dappy. We'd have preferred Tulisa, to be honest.

★★★

ONE WITH THE MISSUS!

TAXI

E4/HD • 9pm

Make no mistake, this is a rubbish film about female bank robbers. However, it does have Victoria's Secret supermodel extraordinaire Gisele in it. Her acting may suck, but boy, is she nice to look at? Er, yes!

Saturday 28 January

"Hey, Patrice – there's a new series of *CSI:NY* starting later!"

Liverpool vs Man United

ITV1/HD • Noon

It's fair to say that Man United haven't been given the easiest of routes through the FA Cup – first their noisy neighbours City and now this tasty fixture, which hopefully won't be overshadowed too much by that Luis Suarez/Patrice Evra unpleasantness.

★★★★★

"But I'd just got to level six on *Angry Birds*!"

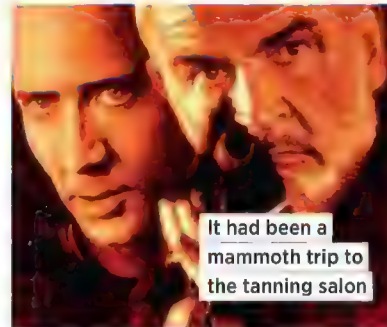

CSI: NY

NEW SERIES!

CHANNEL 5/HD • 9.30pm

We love a good whodunit at *Nuts*, and this is always perfect fodder for pointing at the telly and saying things like, "It was the husband!" This first episode of the new series originally aired in the US to commemorate the tenth anniversary of the 9/11 attacks. Of course, they've also chucked in a juicy gang murder for good measure.

★★★

It had been a mammoth trip to the tanning salon

The Rock

BBC ONE/HD • 9.50pm

Fantastic actioner in which a gang of turncoat US Marines take control of Alcatraz Island with a load of civilian hostages, then point biochemical weapons at San Francisco. Who can save them? Step forward chemical weapons expert Nicolas Cage and former SAS man and one time Alcatraz prisoner Sean Connery.

★★★★

THE DUCHESS

BBC TWO+
8.30pm

Special feature: drama awfulness, but wait! Isn't that *Mad About You* boobies we see?

Sunday 29 January

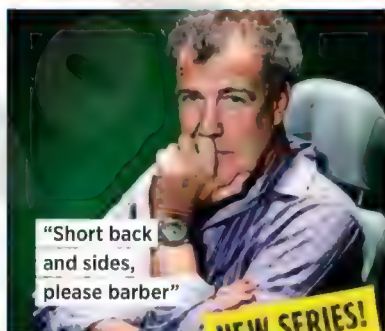

"Hey, look at that – a hot air balloon!"

Sunderland vs Middlesbrough

ITV1 • 1pm

Teams from different divisions, local rivalry and a big crowd. If there's any magic left in the FA Cup after the non-league clubs go out, it'll be found in games like this. Tony Mowbray's Championship high-fliers Boro face a short fourth-round trip up the A19.

★★★★★

"Short back and sides, please barber"

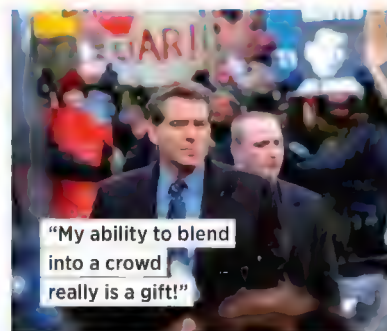

NEW SERIES!

Top Gear

BBC TWO/HD • 8pm

The telly gods answer our prayers for quality motoring fun in style with a new series of the best car show on the box, and what an opening episode Jeremy, James and the Hamster have in store. The trio head to Italy for a supercar showdown featuring the Lamborghini Aventador, McLaren MP4-12C and Noble M600. Cool!

★★★★★

"My ability to blend into a crowd really is a gift!"

The Ghost

CHANNEL 4 • 9pm

Conspiracy thriller directed by Roman Polanski, with Ewan McGregor as a journalist hired to finish writing the memoirs of the former Prime Minister (played by Pierce Brosnan) after the previous writer died in mysterious circumstances. But McGregor soon uncovers a few dodgy secrets that put his own life in jeopardy.

★★★

BAD BOYS

CHANNEL 5 • 9pm

After 23 minutes, two women enter a hotel in daylight, and leave soon after... at night!

Monday 30 January

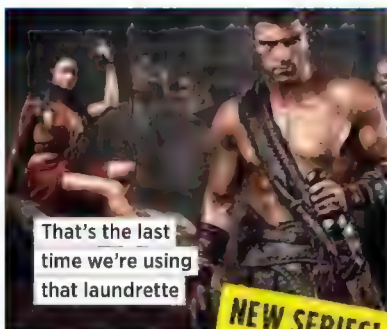

The wedding photographer left nothing to chance

Royal Marines: Mission Afghanistan

CHANNEL 5/HD • 9pm

Docu following Lima Company of the Royal Marines, who are posted to Checkpoint Toki in Nade Ali, Helmand Province, one of the most dangerous areas in the world.

★★★★

That's the last time we're using that laundrette

Spartacus: Vengeance

SKY1/HD • 10pm

When *Spartacus: Blood And Sand* hit our screens in 2010, TV suddenly got a lot more violent and booby. After that came prequel *Gods Of The Arena*, and now we get this sequel to the original. Ace! Aussie Liam McIntyre's the new man in the title role.

★★★

American Horror Story

FX/HD • 10pm

Series one of TV's most insane and creepy drama ends with a finale that sets things up perfectly for the forthcoming new series. All the storylines are neatly tied up (which we like – no cliffhangers here) and it's a final goodbye to the Harmon family.

★★★★★

EYES WIDE SHUT

ITV2 • 11.50pm

A supposedly erotic thriller, this stars former husband and wife Tom Cruise and Nicole Kidman. Sadly, it's about as erotic as clipping your toenails.

Tuesday 31 January

More money on sale today!

Everton vs Man City

SKY SPORTS 2/HD • 7.30pm

Teams with title aspirations simply have to go and grind out results at difficult places. However, the Toffees have been rolled over several times at home this season, including losses against the hapless Bolton and newly promoted QPR. A City win for us.

★★★★★

Funny People

ITV2 • 9pm

Adam Sandler stars in this Judd Apatow comedy (*Superbad/Knocked Up*) as famous comedian George, who finds out he has terminal cancer, so hires Ira (the always great Seth Rogen) to write his jokes. We preferred Rogen's more recent take on "cancer comedy" in *50/50*, but this is still a blast.

★★★

Georgie Shore

MTV • 10pm

Uh-oh, just when we thought it was safe to return to Newcastle, those naughty Toon boys and girls are back for more drinking, scrapping and general debauchery. Alongside the familiar faces from the first outing, this series also promises a "proper mint" new house and two new arrivals – Ricci and the rather hot Rebecca.

★★★

PRISONERS' WIVES

BBC ONE • 9pm

New drama about a bloke arrested for murder and his missus visiting him in prison. Sounds bad, but it stars former *Oaks* honey Emma Rigby!

Wednesday 1 February

The Jackie Chan DVD marathon had affected their game

Sunderland vs Norwich

SKY SPORTS 1/HD • 7.30pm

The Premier League title race may be grabbing the headlines, but beneath that, hardly anyone's just making up the numbers this season. Take these two. Norwich were tipped to struggle, but haven't, while Sunderland are on the up. This could be fun!

★★★★

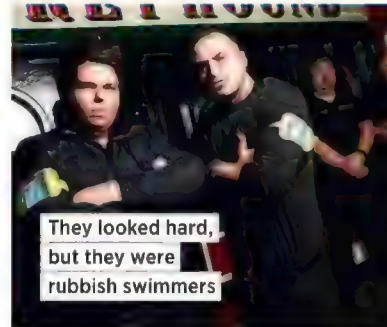

The stand-up comic was in for a tough gig

Sons Of Anarchy

SUSA • 10pm

Clay's still itching to get into the drugs game and has done a deal with Jax to convince the rest of Samcro to get on board. Before this can go ahead, though, they have to get hold off the next cache of guns that have fallen into the wrong hands. And then there's flesh-eating ants. Thousands of the blighters. Just watch!

★★★★★

They looked hard, but they were rubbish swimmers

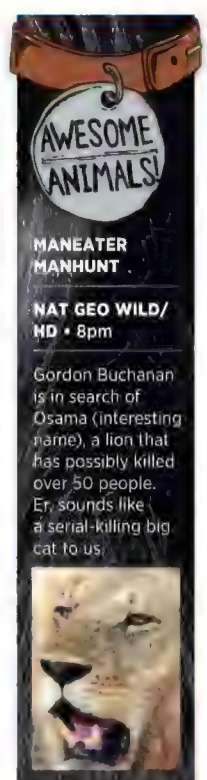

Bouncers

CHANNEL 4/HD • 10pm

Things we learned from this documentary about Welsh bouncers and the grief they get from the boozy revelers they have to deal with:

1) Girls are much naughtier on a night out than boys. 2) Everyone in Newport sounds like they're a member of Goldie Lookin' Chain. 3) Newport is a very rowdy city indeed.

★★★

MANEATER MANHUNT

NAT GEO WILD/HD • 8pm

Gordon Buchanan is in search of Osama (interesting name), a lion that has possibly killed over 50 people. Er, sounds like a serial-killing big cat to us.

Thursday 2 February

"I think we've neglected this garden for too long"

Pirates Of The Caribbean: On Stranger Tides

SKY MOVIES PREMIERE/HD • 8pm

Johnny Depp hams it up on the high seas for the latest instalment. Captain Sparrow is tasked with finding the fountain of youth, battling against the dastardly Blackbeard along the way.

★★★

"Er, so you say you met her in a nightclub, mate?"

Mad Dogs

SKY1/HD • 9pm

Wow, these are some seriously unlucky chaps. Pretty much anything that could have gone wrong for Woody, Quinn, Baxter and Rick has done so in spectacular fashion! The whole thing might be getting a bit far-fetched now, but they've packed in enough surprises so far to keep us hooked until the bitter end.

★★★

It was a daring raid on the wig store

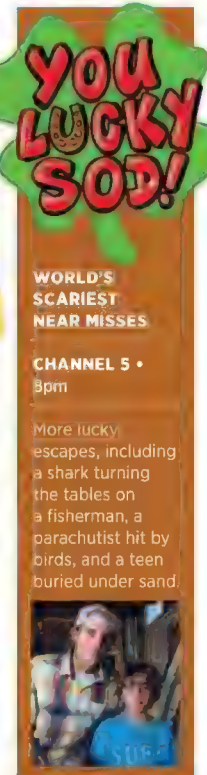

NEW SERIES!

Inside Men

BBC ONE/HD • 9pm

An awesome opening ten minutes of this new drama sees John, the manager of a security depot, snared by mask-wearing thieves, out for a massive £15m haul. But not all is as it seems in this twisty thriller. Fantastic, edge-of-your-seat stuff, featuring loads of the cast of Luther (but no Idris Elba though).

★★★★★

WORLD'S SCARIEST NEAR MISSES

CHANNEL 5 • 8pm

More lucky escapes, including a shark turning the tables on a fisherman, a parachutist hit by birds, and a teen buried under sand.

George Clooney is on fine form as a grumpy dad whose life turns upside down when he discovers his wife's been cheating.

But she's in a coma, his kids are mental – look out for hottie Shailene Woodley – and he's obsessed with tracking down her new squeeze in Hawaii. It's from the makers of buddy-comedy *Sideways* and manages to be both funny and uplifting. ★★★★★

Nuts gambling masterclass!

A host of top tips to help you play Deal or No Deal!

YOU MAY think Deal or No Deal is a game for those who believe in "systems". Well, the TV show might be, but the multi-line slot isn't!

You can win big from the comfort of your own home for as little as 5p, and if you play on all lines, you could win a progressive jackpot. One recent Nuts Games winner bagged himself £229,776!

How to play

- The aim is to get winning symbol combinations from each spin of the reels, with the ultimate target being the progressive jackpot.
- You can select up to 20p on each of the 20 pay lines. That gives you up to 20 chances to win on each play!
- The progressive jackpot can only be won on the Deal or No Deal bonus game, but there are also two other fun bonus games called Banker's Offer and Mystery Box Bonus, where you can win some extra cash.

The number lines

It's all self-explanatory – click the number beside the reels, or the "Bet One" or "Bet Max" button. Choose Bet Max for the chance to play the bonus game and win the biggest jackpots!

Bonus game

If you bet on all 20 pay lines and you get three Deal or No Deal bonus symbols on any pay line, the bonus game begins – this plays like the TV show, with the big progressive jackpot at stake. Don't be too greedy or, like us, you could end up with £8 instead of £100!

Plus win up to £10k!

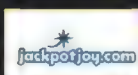

Play three games for the price of one with Deal or No Deal Scratchcard. Play from the comfort of your home for £1 for your chance to win!

CONFESSION OF THE WEEK!

'She stared at my cleavage'

A COLLEAGUE and I go to the gym most days and one afternoon last week, we decided to train together. The gym was packed, so we jumped into a changing room and undressed together. As I took my top off, I caught my colleague checking out my cleavage. I knew she was turned on, so I lowered my jeans to reveal my tiny thong. She pulled me towards her and kissed me, and my hands caressed her body. She then started rubbing her fingers against me. We couldn't wait to get home and explore each other further.

Katie Essex

'I dropped to my knees'

MY PARTNER and I were heading away for a romantic break. On the car journey, we stopped off at a castle to have a look around. As we entered and

walked around the grounds, I felt quite excited at the prospect of doing something different. We went into the old kitchen and I pushed my man against the wall and kissed him. We heard footsteps, so we stopped and went into the cellar. Being empty, I carried on gently rubbing him through

his trousers. I unzipped him and took his tip against my tongue, wetting it and licking it. As his fingers rubbed my clit, I pushed him away so I could drop to my knees and focus my attention on him. I sucked his balls until he let out an almighty moan and I took him in my mouth until he came. Then a voice asked if we were OK, so we quickly got dressed and raced out!

Leanne via email

'She cuffed me to the bed'

MY FRIEND and I have always been close, and a lot of motorboating occurs, much to our pleasure! But, one evening we took things further than before. We were kissing and playing with each other's boobs when one of our guy mates dared us to take it to another level. We looked at each other with a glint in our eyes and things became very heated. Clothes were ripped off, and I teased and kissed my friend all over. The fact that our mate was watching made me so horny that we soon raced up to my friend's bed where she handcuffed me to the frame. She caressed me with her tongue and I had the most intense orgasm of my life. But this wasn't the end of our wild night – she didn't have the key for the handcuffs, so we had to find some tools to get me free!

Emily via email

'I felt really horny'

MY BOYFRIEND and I decided to go bowling one night. As we sat down to put our shoes on, he started rubbing my thigh and telling me how sexy I looked in my new skinny jeans. We sank back in the booth and he kissed my neck and lips. Then I unbuttoned my top to reveal my cleavage and got up to take my turn. I eased my jeans down a little to reveal my knickers. After my go, I turned round and my man's mouth was wide open. I put my hand in his lap, squeezing his package and giving him an eyeful of my big boobs. He pulled me into his lap for a quick kiss and I could feel his hard manhood through my jeans. Then we decided to abandon the game and score our own strike elsewhere!

10 RUDE QUESTIONS!

And a real girl to answer them!

Harley

18 Reading

1 Where's the strangest place you've had sex?

"I'd say in a pub toilet, but everyone does that at some point or another, don't they? So it would have to be in the back of a car... with an audience!"

2 What's your trademark move in the bedroom?

"I'm usually the one who's in control. I like to be a little forceful in bed!"

3 What really turns you on in bed?

"I love being really naughty. Anything with the potential to give you a sudden naughty urge is the best."

4 What's your favourite position?

"I personally love boobs and bums. I have plenty of both and I think doggy gives quite a good view of boobs bashing around, as well as plenty to hold on to at the same time!"

5 Is it better to give or receive?

"I just love giving! I always love surprising people when they least expect it with something I know they'll really enjoy."

6 What one thing would you really like to try but haven't yet?

"I have a pack of *Kama Sutra* playing cards and I really want to try all 52 positions – as well as the jokers!"

7 Have you ever got it on with another girl?

"Of course! If any of my girl mates want girl-on-girl fun, they always come to me. I think I have a vibe."

8 What's your favourite role-playing outfit?

"I love dressing up but when it comes to sexy role-playing outfits, the smaller the better. I have so many outfits but my favourite is my little bow. I can be a gift all year round!"

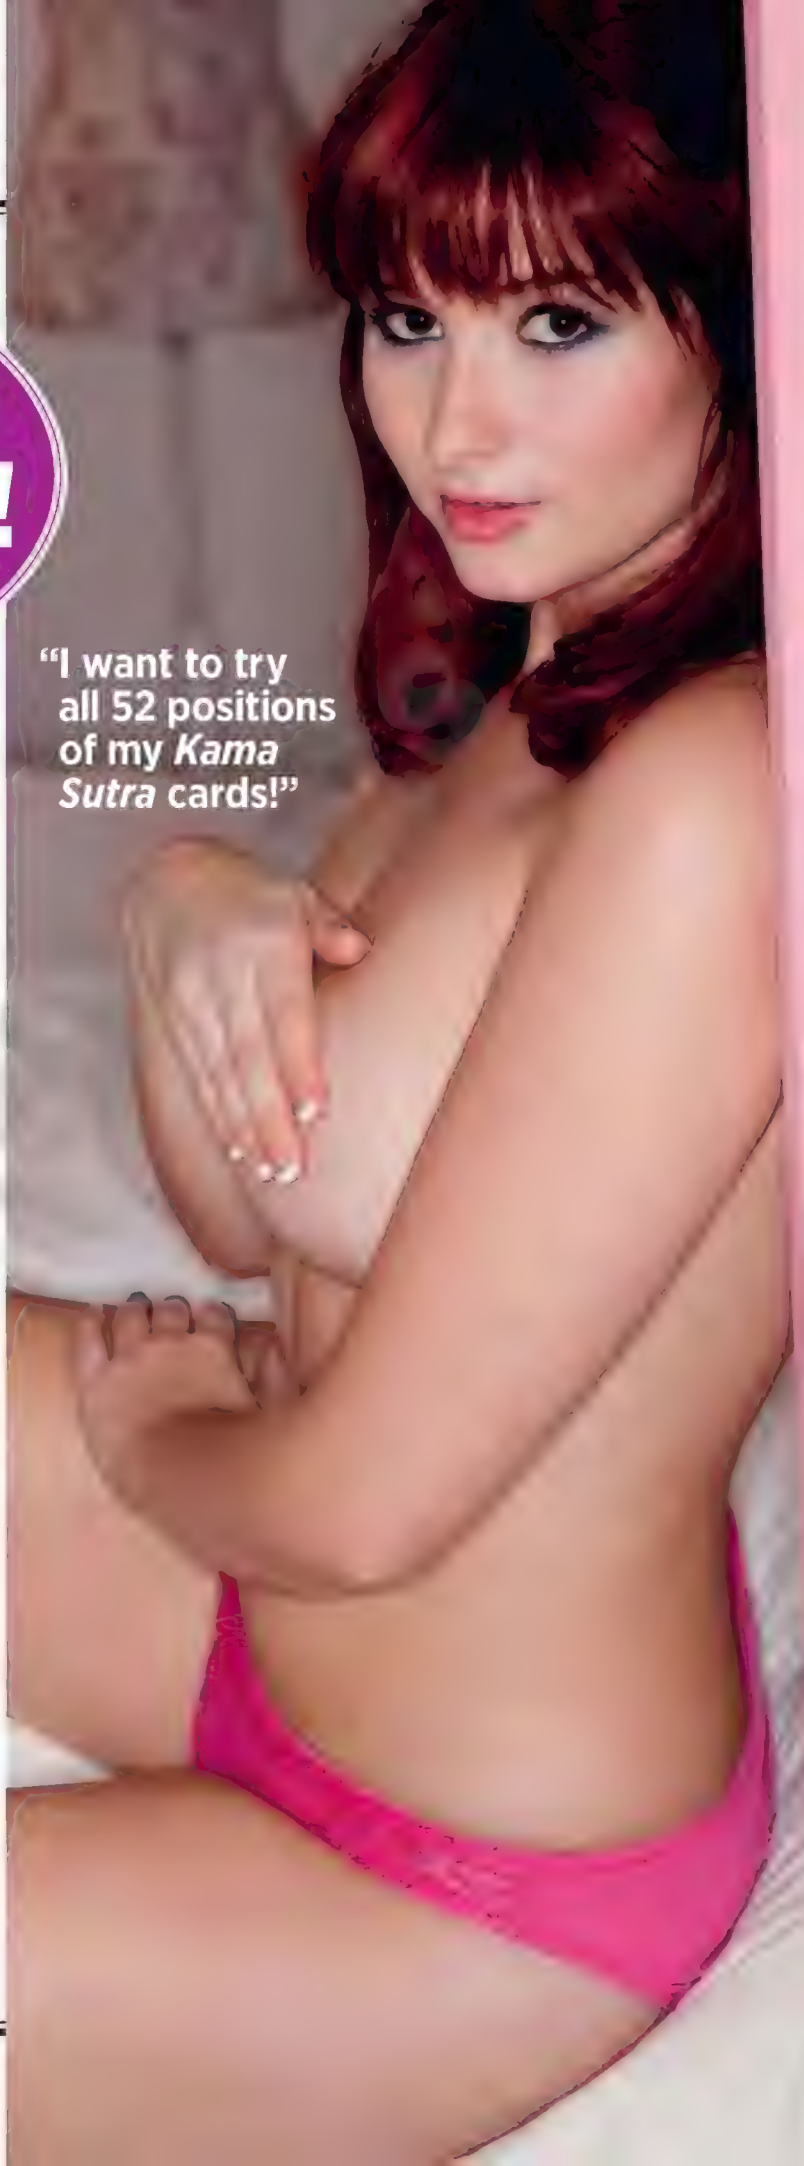

9 Have you ever made a sex tape?

"Who hasn't? I don't know if any of them still exist. I might check, though, because that could be fun!"

10 What's the single rudest thing you've ever done?

"I think it's so funny to be sexual in public. Whenever I'm at dinner, shopping, around family or friends, I just put my hands down a guy's trousers!"

"I want to try all 52 positions of my *Kama Sutra* cards!"

'Both managers are tactical giants!'

LIVERPOOL "A lot depends on the Carling Cup semi-final. If Liverpool win, the pressure will be off. I expect Kenny Dalglish will demand a very high tempo to unsettle Fergie's men." **Rating: 8/10**

MAN UNITED "I'm not sure Man United will play all their big guns. I expect Fergie to line his team up 4-5-1 and keep it tight early on, then look to hit Liverpool on the break." **Rating: 8/10**

Liverpool vs Man Utd special!

Nuts man Merse on the FA Cup grudge match!

➔ **ON SATURDAY**, the two most successful clubs in English football history square up in the FA Cup fourth-round. To find out who'll have the edge, we spoke to *Nuts* legend and FA Cup winner Paul Merson.

'The midfield is where this game will be won!'

LIVERPOOL "I expect **Steven Gerrard** to start. Charlie Adam will sit in front of the back four and allow Gerrard to get forward. Stewart Downing has to get crosses into the box." **Rating: 8/10**

MAN UNITED "If Paul Scholes plays, **Wayne Rooney** will drop deep when United don't have the ball. Scholes is great, but he'll need support with Gerrard around." **Rating: 8/10**

'Defenders can't afford any more slip-ups!'

LIVERPOOL "The whole team is far less open than Man United. **Jose Enrique** and Glen Johnson will attack down the flanks but will also get back quickly to keep the team's shape." **Rating: 9/10**

MAN UNITED "Fergie must be worried because United are so open. Teams know they'll get chances. Sir Alex will hope **Phil Jones** is fit. One thing's certain, Liverpool will score!" **Rating: 7/10**

'Strikers need to step up and be counted!'

LIVERPOOL "Andy Carroll will start up front on his own, but Gerrard and Jordan Henderson will both get forward to support him. With Gerrard back, Carroll should get chances." **Rating: 6/10**

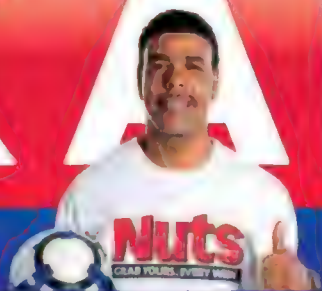

MAN UNITED "Danny Welbeck will start in the lone striker role for United, with Rooney shifting between midfield and attack. Welbeck is becoming a really decent player." **Rating: 7.5/10**

'My prediction!'

Liverpool 2-1 Man United "This game could be a real chess match but I think Liverpool will edge it."

KAMMY!

He's the voice of the fans – and he's only in *Nuts*!

They'd not quite got the hang of the conga

Return to terracing could be terrific!

Villa Park's plan could change grounds forever!

➔ I SEE Aston Villa are in talks to bring terraces back to their stadium. I think it's a great idea. Many fans have been frustrated at the lack of standing in Premier League grounds. It would help boost the atmosphere no end and

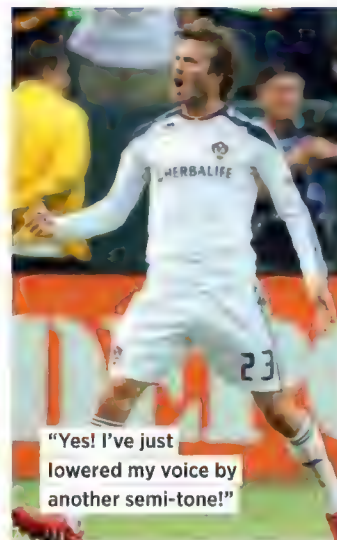

bring back the camaraderie between supporters.

I know people will point to tragedies such as Hillsborough, but football has moved on so much. Crowd control, policing and stadiums are all now so advanced, and safety is at the forefront of people's minds.

Many other leagues around the world use terracing already

– just look at Germany's Bundesliga, where standing is commonplace and enjoyed by many.

I think the Premier League should embrace the new proposals. It would be wonderful to see the likes of the Kop and the Stretford End in their pomp again!

"Yes! I've just lowered my voice by another semi-tone!"

Becks' LA stay comes as no surprise to me!

SO DAVID Beckham has decided to stay at LA Galaxy for another two years. I'm not surprised, but only because I knew about it already! Becks' team-mate Robbie Keane spilled the beans when he was on *Goals On Sunday* over Christmas, but I was sworn to secrecy.

Becks loves it in Los Angeles and sees no reason to move on. He has just won the MLS Cup, "soccer" is really taking off in the States and his family are settled. I can't say I blame him, but I'd be sat on the beach most of the time!

● Send jokes, comments, pics etc to kammy@ipcmedia.com. The best one each week wins a signed *Nuts* T-shirt!

I can't get enough of El Clasico!

I LOVE watching Barcelona and Real Madrid go head-to-head, and it's probably just as well – this week's Copa del Rey quarter-final, second-leg, will be the ninth time the teams have met in nine months. Last week's game was great, but Pepe's antics were a disgrace, stamping on Lionel Messi's hand then diving all over the shop. The guy needs a kick up the jacksie!

THE BIG MATCH!

Arsenal vs Aston Villa

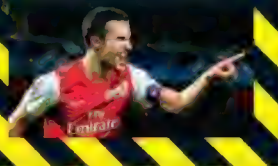

29 JAN, 4PM • ESPN

The FA Cup is fast becoming Arsenal's only real chance of silverware this season, so I expect them to take this game very seriously. Arsene Wenger has a good record in the competition and it'd be a great trophy for them to win. I really can't see Villa troubling the Gunners.

KAMMY'S PREDICTION: 2-0

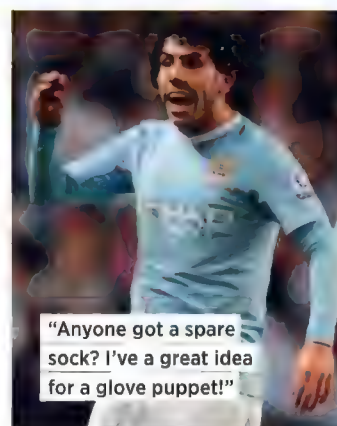

Key man

It has to be Robin van Persie. He's been carrying some Arsenal players and continues to bang in the goals. I expect him to score!

Tevez the twerp is on his way to PSG!

IT LOOKS like Carlos Tevez is finally on his way out of Man City. Paris Saint-Germain have so much money, I can't see the negotiations being a problem. What a disgrace the Argentine has been to football. Good riddance, Carlos!

Nuts ABOUT SPORT!

Funny goings-on in the wonderful world of sport!

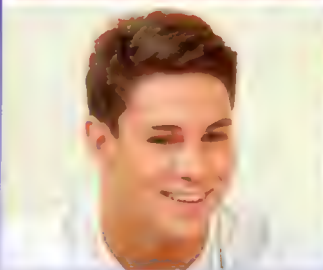

Apparently, this is a "spinning wheel kick" that **EDSON BARBOZA** is landing on Liverpool's **TERRY ETIM** at UFC 142 in Rio. Whatever it is, Etim doesn't appear to be enjoying it.

SPORT

ALIKES!

At times this season, it might as well have been *TOWIE*'s **JOEY ESSEX** in the Chelsea dugout. Is it just us or has anyone else noticed the reality TV star bears a startling resemblance to forlorn Blues boss **ANDRE VILLAS-BOAS**?

FOOTBALL
FITTIES!

Why can't lovely lady-fans don this sort of attire to Premier League matches? These two **GREEN BAY PACKERS** beauties are braving the cold to give male supporters something to look at during half-time.

Morgan: 'Everyone wants to beat England!'

Batsman Eoin Morgan on Pakistan, touring and pranks!

➔ Hi Eoin! You and the England team had a pretty good year in 2011. Did you enjoy it?

It's been unbelievable! We've had this group of players together for the last four or five years, we're all good friends, so we've been able to celebrate really well.

You're playing Pakistan for the first time since the spot-fixing trial. Do they have something to prove?

No, it's coincidental that the three players have only been sentenced recently. Every time we play Pakistan there's a lot of hype. We have to concentrate on our own game.

Andrew Strauss has said the next 18 months will be the toughest the England team has faced. Do you agree?

Absolutely, we're on a pedestal now and everyone wants to knock us off it. We can't wait for the challenge. It's going to be great!

After Pakistan, you're off to Sri Lanka, then it's back home to face the West Indies. Is it tough to stay

on top of your game with such an intense schedule?

No, absolutely not! We've been quite lucky having November and December off to recharge the batteries. I'm looking forward to it!

Your team-mate Graeme Swann said the one-day game should be scrapped. Do you agree?

I couldn't disagree more! One-day cricket is a huge part of the game. But Test match cricket is my favourite form of the game. It's something I've aspired to play since I was a kid. T20 wasn't around then, but it's great fun to play. And it's good for my mates to watch, as it's easy to understand!

How do you feel about being world number one batsman in the new T20 rankings?

It's an honour even to be considered as good as some of the names in the rankings. It's not something you target but it's great to be acknowledged.

Thanks, Eoin! Finally, when you're on the road, are there any practical jokes played? All the time. Swanny is usually the instigator.

Any stories you can tell us? Definitely not. Most of the time they aren't PG-rated!

● Eoin uses Slazenger's V Series bat. The second Test starts on Wednesday, live on Sky Sports 1, 5.30am.

"Argh! I've got my right foot trapped in the stumps!"
